He gave the Commission a Mead & Hunt news letter and a copy of a 1987 visitor's Guide.

F. PUBLIC COMMENTS (non-agenda items)

City Attorney Ferguson stated that regarding the Hillside Grocery City's liability, this would be a governmental immunity issue. Generally speaking the City would not be liable for anything and then the city is subject to exceptions. Arguable exceptions, mainly because the City cannot spend money to just benefit one property if the City continued to pursue this it would be inappropriate. A meeting can be held to analyze the situation on the hill but before any monies are seriously considered for commitment to this project Attorney Ferguson would like to look into it further.
