

Munising's Farmers Market

Gateway to Adventure

Purpose:

The Munising Farmer's Market operates under the authority of the City of Munising and is managed by Alger County MSU Extension. Its purpose is to:

1. Promote local farmers and growers.
2. Create a direct, 'producer to consumer' marketplace.
3. Make available fresh, wholesome, quality food to those seeking such products.
4. Provide a festive marketplace that benefits local merchants and townspeople by adding color and diversity to Munising's downtown.

The quality of the products and the expertise of the sellers is vital to the market experience. Integrity and authenticity are of utmost importance.

Events (Schedule):

The 2009 Munising Farmer's Market will be open on Tuesdays, starting May 26, 2009 and run through October, 5pm to 7pm in Bayshore Park, Munising, MI.

Demonstrations by a variety of artists and craftspeople will take place from 4pm to 5pm on many farmer's market days. From July through mid-August, the farmer's market is scheduled to operate just prior to the concert in the park.

Vendor Registration:

Local (U.P.-wide) producers of fresh produce and farm products as well as artists and artisans are welcome to apply through the Alger County MSU Extension office. All artist and artisan applications are screened by the Munising Bay Arts Association. All vendors are subject to approval by the market master and, if approved, are responsible for documentation of compliance with state and local licensing, regulations and sales tax laws.

An annual fee of \$25 is required from all approved vendors.

Market Master:

Jim Isleib, Alger County Extension Director
