## **PUBLIC NOTICE – FEBRUARY 2026 POSITION ANNOUNCEMENT**

The City of Munising is currently accepting applications for a full-time employee for the following position: **“Water/Sewer Operator III – Department of Public Works (DPW) Maintenance III”**. The successful candidate will spend approximately 50% of their time in the wastewater/water department and 50% of their time in the DPW.

A DPW Maintenance III staff member is primarily responsible for the operation of a variety of construction and maintenance equipment and for performing manual labor activities as needed and/or required by the Public Works Department. Although road maintenance is the most common type of work performed, laborers in this position class also work in water buildings, grounds maintenance, facility maintenance, and general public works.

A Water/Sewer Operator is responsible for performing daily operating and maintenance activities in the City’s Wastewater Treatment Plant, lift stations, water well sites, and water pump stations. Position duties also include maintenance of the sewer collection system and pump stations, following safety procedures, performing MISS DIGS, water meter readings, and other inspections as needed.

### **Desired Qualifications:**

Wastewater License (D) and Water License (D4/S4). A valid Michigan State driver’s license and Class B CDL as well as knowledge and ability to operate City owned vehicles and equipment, such as dump trucks, snowplows, salt spreaders, power tools, chain saws, air compressors, etc. the ability to understand and follow written and oral instructions, and work independently is required.

Candidates holding Class A CDLs and/or applicable endorsements, as well as prior experience in municipal utilities, would be preferable.

### **Expiration Date**

February 27, 2026
