1. Pictured Rocks Cruises Dockage Agreement

Moved by Commissioner Bornslaeger to approve the Resolution and second lease with Pictured Rocks Cruises for additional dockage at the Bayshore Marina. Support by Commissioner Nettleton.

Approved: Yeas: Commissioners: Dolaskie, Cotey, Bornslaeger, Nettleton and Mayor DesJardins

RESOLUTION

The City of Munising hereby enters into the Second Lease of City Dock Space with Pictured Rocks Cruises, Inc., (“PRC”) and authorizes the City Manager, Devin Olson, to sign that lease, in duplicate original.

After due consideration and after taking the recommendations of the City Manager into account, the City Commission determines entering into this second lease arrangement with PRC is in the best interests of the City, for the following reasons:

1. The City will receive $501,150.00 in an upfront, single payment from PRC in return for allowing PRC to lease space for two vessels on the dock to be built. In addition to the single upfront payment, a per year lease will also be present at a rate of $1.00 per year. This equates to $6,264.87, per year, for the vessel. Under the current Lease of City Dock Space (2011) PRC pays an average rate of $9,250.00, per year, per vessel.

2. The single, upfront payment from PRC allows the City to obtain $250,000.00 in grant funding from MEDC. City could not obtain this grant without PRC’s payment.

3. Without the single, upfront payment, and without the MEDC grant City cannot afford to build the extension to the existing “L” dock.

4. With the single, upfront payment and the MEDC grant, the only anticipated “expense” to the City to build the extension will be the City Manager’s time to oversee the project and the City Treasurer’s time to manage funds for the project.

5. The extension of the existing dock will benefit the citizens of the City by allowing them additional dock space to walk upon and enjoy Lake Superior.

6. There is an intangible, general economic benefit that will flow to the citizens of the City and to businesses in the City from PRC’s business expansion that will result from extending the “L” dock to allow for space for an additional PRC vessel.

Rod DesJardins, Mayor

This Resolution was adopted by the City Commission of the City of Munising at a regular meeting held on ________________, 2015

2. Cox Building Discussion

Mayor DesJardins stated that the DDA had met with the engineers and there were three options. 1. Open design to alternatives, 2. Single private investor or 3. May 1st of next year do a condo if it doesn’t work. Some of the Commissioners felt that the City had been too stringent with the restrictions included on the listing, which will also end June 17th. Most were in favor of the condo idea. Commissioner Bornslaeger stated that the building could also be sold outright. Commissioners voiced positive opinions on the Cox building prospects and thanked the DDA for their efforts to find a solution for the building.

3. Chamber Dinner

No action was necessary.
