As for the FLAP grant applications they have been turned in; STP funds are secure for the 2017 and 2018 fiscal years. The H-58 water main replacement plans will be to MEDC for approval this week; the Parks and Recreation Plan has been submitted to the DNR for review; the Anna River Universally Accessible site should be going out to bid next week. Last week Olson stated he had a MIOSHA prevention walk through; we only have a handful of small issues a remarkable difference from last year’s inspection with MIOSHA. Olson then stated that the UP Managers Meeting will be May 14 and 15 here in Munising. Again, Olson reminded the Commission that he will be off February 20th – February 25th.
