City Attorney Ferguson’s revisions: It is crucial all owners of the land sign the easement impacting the land in play. Also, mortgage holders would also need to sign the easements. On the easement for Lots 1 and 2, Patrick Gariepy’s marital status must be disclosed and, if he is married his wife must sign the easement too. The legal description should be changed to read: “The South 35 feet of Lot number 1 and the South 35 feet of Lot number 2, C and K Plat of the City of Munising, according to the recorded Plat thereof.” On the easement for lot 3, the marital status of both grantors must be disclosed and wives of the grantors must sign the easement. The legal description should be changed to read: “The South 35 feet of Lot number 3…” (same as previous). For the easement for Lots 4 and 5, Michael’s marital status must be disclosed and, if he is married his wife must sign the easement. The legal description should be changed in the same manner as that for Lots 1 and 2.

He also recommends that the paragraph that begins with “The easement shall be 35 feet in width…” be removed from all three easements.
